Dear Friends and Supporters,

June 2006

Greetings from the Shelby family. We are eager to get back to the field by the end of the summer. We are looking forward to continue the work that God has called us to do. We are getting reports that people are still being saved, but I can sense a bit of weariness in their letters as they are longing for us to return. The Devil has been fighting there trying to scatter the Lord's fruit. Other religious organizations have tried to steal church members and discourage the preachers from being faithful to God's work. Some charismatic groups are passing out money with their tracts and Bibles, bribing people to come to church. Please pray for the faithful to remain, and the needs to be met.

Over the last few months we have collected these things:

Teacher's desks, 8' tables, some chairs, photocopier, 2 basketball rims, shoes, clothes, John and Romans, and books.

We still need:

Sunday School awards and small prizes, a 2,000 watt quiet generator - \$500, filing cabinets, sports equipment, more shoes and ties for the Bible College students, and at least \$600 monthly in support.

I mentioned in April that Kay-Leigh was in the Children's hospital with pneumonia. We are getting the bills from that after the insurance has paid their part and we owe \$5,000. We have set it up on payments, but we don't need this bill going back to the field. Also we still need \$3,600 to ship our container. If your church can give \$500 towards these two needs, it will lift a huge burden off of us, as we return to the place of God's calling and enable us to encourage our pastors and see an abundance of souls saved. Please mark our check with shipping or doctor bills. May God bless you richly.

Thank you for your prayers and support.
