March 18, 2013 - Update from Kenya

Dear Praying Friends and Family,

Thank you to everyone who has prayed for us and for Kenya throughout the past couple of weeks. Everything has remained peaceful in most areas of the country. And we know that this is a direct answer to your prayers and the prayers of many, many people around the world.

The opposition party has taken a Peterson to the Supreme Court, and a decision should come in the next 7-14 days. So please continue to pray for the country and people of Kenya.

We are so thankful for the peace! And we are thankful to the Lord for allowing us to be able to continue in His work. We finished a week of Bible College classes in Kisii Town last week, and all students were able to be present. This week Bible College classes are continuing in the village of Sudundo. During the elections of 2007, we had to close the college for 3 full months! So it is a blessing to be able to continue every ministry in a normal way.

Please be in prayer with us for a special meeting we will be having from March 28th - 31st. It will be a Men's Leadership Conference, and all the men from all of our churches have been invited to attend. We are praying for a good turn out in attendance; and for each man who attends to take the messages and lessons to heart, in order to become the leader of his family like God intended him to be.

Thank you everyone for praying!

Serving Him in Kenya,

Luke & Tonya Shelby
